

The KY-8300 & Printer is a professional breathalyser bundle with UK electrochemical fuel cell sensor, built-in thermal printer, 4,096-record memory, and aluminium carry case. Includes AC charger. Same measurement specs as the standalone KY-8300 ? ideal for workplace alcohol testing with instant printed records.

The KY-8300 & Printer is a Complete Workplace Breathalyser Kit

The KY-8300 & Printer bundle is a professional breath alcohol testing solution for organisations that require on-site printed test records for documentation and regulatory compliance. The breathalyser uses a UK-made electrochemical/fuel cell sensor ? the same accurate, alcohol-specific technology in the standalone KY-8300 ? and the integrated thermal printer produces immediate printed results for

chain-of-custody records at the point of testing.

Same Precision as the Standalone KY-8300

All measurement specifications match the KY-8300: range of 0.000?1.500 mg/L BrAC, resolution 0.0001 mg/L, analysis in under 10 seconds, warm-up under 5 seconds, and 4,096-record internal memory visible on the 128?64 LCD. The bundle adds an AC charger alongside the built-in Li-ion battery, making it suitable for a fixed testing station with reliable mains charging.

All-in-One Carry Case

The kit ships in an aluminium carry case containing the breathalyser, thermal printer, AC charger, and a blowing cup. Replacement thermal paper rolls (ATKY8300-PAP) and hygienic mouthpieces (ATKY8300-M100) are available as accessories.

Technical Specifications

Specification		Detail
Specification	Value	
Product Code	VM-ATKY8300WP (Supplier: ATKY8300/PR)	
Sensor	UK electrochemical/fuel cell (alcohol-specific)	
Measurement Range (BrAC)	0.000?1.500 mg/L	
Resolution	0.0001 mg/L	
Accuracy (<0.400 mg/L)	?0.020 mg/L	
Accuracy (0.400?1.000 mg/L)	?5%	
Analysis Time	<10 seconds	
Warm-up Time	<5 seconds	
Memory	4,096 records	
Display	128?64 dot matrix LCD	

Specification	Detail
Printer	Built-in thermal printer
Power	Built-in Li-ion + AC charger (included)
Carry Case	Aluminium (included)
Unit Dimensions	127?60?28mm
Unit Weight	~115g
Calibration	Every 6 months
Accessories (sold separately)	Paper rolls (ATKY8300-PAP), Mouthpieces (ATKY8300-M100), Cup (ATKY8300-Cup)

SKU: VM-ATKY8300WP
