

Large ICU bed-end unit with 5 drawers, a cabinet and sloping chart top. Comprehensive mobile bedside storage for intensive care.

This comprehensive ICU bed-end unit provides five graduated drawers plus an enclosed cabinet beneath a sloping chart top, all on an epoxy-coated steel frame with swivel castors. It consolidates charts, documentation, consumables and larger supplies into a single mobile station at the foot of the bed. The durable, chip-resistant finish is built for the intensive cleaning regime of critical-care wards.
