

Medium lockable drug and poison cabinet, 360 x 230 x 440mm, in steel. Secure storage for medicines and hazardous substances.

This medium drug and poison cabinet measures 360 x 230 x 440mm and is fabricated from durable steel with a secure lock, keeping medicines and hazardous substances safely apart from general supplies. The wall-mountable, powder-coated body cleans easily and suits clinics, ward drug rooms and laboratories needing mid-size compliant storage.
