Utility Drug Cabinet Mobile With Double Doors Locking Sloping Top –
Includes Shelf at the bottom

Mobile utility drug cabinet with lockable double doors, sloping top and base shelf. Secure, versatile ward drug storage on castors.

This mobile utility drug cabinet combines lockable double doors with a sloping top work surface and a lower base shelf, all on a castor base for point-of-care flexibility. The locking doors secure medicines while the sloping top and shelf provide accessible working and storage space. Its durable, wipe-clean finish suits ward drug rooms and clinics.
